TVS 2021 - The Conference
We're going **Virtual**

FREE
TO ALL UK
HCP'S

Fundamentals in wound care

- a part of #TVS2021

Tuesday 21st September

The Main Conference

Our Conference this year is focussed on the power of collaborative working to solve the skin and wound challenges that we face every day. At the TVS, we believe that skin health and wound healing is everyone's business and that change happens when we work together, not in silos.

Our unique programme shares the best new thinking and practices in skin health and wound healing and our digital platform will make sure that it reaches the people it needs to. **It is FREE to all UK healthcare professionals and a cost of just £30 to those outside of the UK.**

The conference will take place from Monday 20th to Friday 24th September, with our exhibition hall opening for viewing in advance.

Delegates can join our virtual community and listen to live lectures, interviews and discussions, visit your exhibition stands, network with colleagues and speakers and join the live conversations during the sessions.

It really is a virtual space where professional connections are made, ideas are shared and collaborative action happens.

Our Fundamentals in Wound Care Stream

On Tuesday 21st September from 9.30 to 12.20, we are hosting a morning of live lectures aimed specifically at students, carers or those people new to the subject of skin health and wound healing

Our Fundamentals in Skin Care morning is an opportunity for students to gain access to a range of relevant sessions led by our experienced and talented trustees, giving a real feel for the importance of solving skin and wound challenges.

Subjects include;

- **Wound healing and assessment**
- **Which dressing?**
- **Introduction to pressure ulcer prevention**
- **Introduction to lower limb wounds**
- **Basics in diabetic foot ulcers**

All the sessions are presented live with plenty of opportunity for discussion and questions in a friendly and supportive environment.

Registration is **FREE** and you are welcome to join any of the sessions throughout the whole week.

You can register for TVS 2021 and the Fundamentals in Wound Care Stream at

tvsconference.org

We look forward to seeing you!
